Dear Mr. Tzhone:

The Arkansas Department of Environmental Quality - Hazardous Waste Division (ADEQ) would like to provide the following information for notifying the known interested parties of the fourth Five-Year Review (FYR). ADEQ will initially contact the site property owner by mailing a copy of the FYR public notice and extend an offer for an interview as part of the review. During the week of the site inspection ADEQ will go door-to-door to the residences surrounding the property to request an interview. If ADEQ is unable to contact the residence, a copy of the interview questions will be mailed to that particular address at a later date. All known interested parties to be contacted will include the site property owner, the potentially responsible party, property owners surrounding the site and the local officials.

If you have any questions or concerns, please contact me at 501-682-0852 or via e-mail moix@adeq.state.ar.us.

Sincerely,

A handwritten signature in blue ink that reads "Mark Moix".

Mark Moix,
Engineer, PE
